

LivingThing

```
graph BT; Ostrich --> EggProducer; EggProducer --> FarmAnimal; FarmAnimal --> LivingThing;
```

The diagram consists of four rectangular boxes stacked vertically, each containing a text label. The labels are 'LivingThing' at the top, followed by 'FarmAnimal', 'EggProducer', and 'Ostrich' at the bottom. Three vertical arrows point upwards, connecting the boxes: from 'Ostrich' to 'EggProducer', from 'EggProducer' to 'FarmAnimal', and from 'FarmAnimal' to 'LivingThing'. This represents a hierarchy where 'Ostrich' is a specialized form of 'EggProducer', which is a specialized form of 'FarmAnimal', which is a specialized form of 'LivingThing'.
