

LivingThing

```
graph BT; Horse --> MilkProducer; MilkProducer --> FarmAnimal; FarmAnimal --> LivingThing;
```

The diagram consists of four rectangular boxes stacked vertically, each containing a text label. The labels are 'LivingThing' at the top, followed by 'FarmAnimal', 'MilkProducer', and 'Horse' at the bottom. Three vertical arrows point upwards, connecting the bottom of one box to the top of the box immediately above it: from 'Horse' to 'MilkProducer', from 'MilkProducer' to 'FarmAnimal', and from 'FarmAnimal' to 'LivingThing'.

FarmAnimal

MilkProducer
